

## REVERSE RAFFLE RULES:

- Grand Prize is \$5,000.
- Raffle Tickets are \$100 each.
- *Ticket* must be represented at the event. The *purchaser* of the ticket does not.
- The *final* drawn ticket wins.
- With 9 tickets remaining, one ticket is auctioned to the attendees.
- With 5 tickets remaining, those ticketholders may decide to split the pot with the remaining to be drawn.
  - If ticket purchaser is not present, the representative holding that ticket has authority to decide. Discuss and agree *in advance* or be prepared to respond (via phone or text) *quickly*. The draw will not wait.
  - In order for the split to occur, **ALL** remaining ticketholders or their representatives must be in agreement.
    - If in agreement, the raffle is complete.
    - If *not* in agreement, the next draw is made and the split is offered again to the last 4 ticketholders (then 3, and 2).
- Winner must supply his/her SS# if winnings are *over* \$600. If winner is not present, the prize money *cannot be released* until the SS# is provided.
